Wendigo's Electronics Policy:

Cell phones, iPods, etc. are not allowed at Wendigo. They can greatly detract from the wilderness experience. Camp is an opportunity for your son to have a break from all the technology that is ever-present in his life throughout the rest of the year. As a child's dependence on electronic entertainment and communication increases, so does the importance of time away from it. Camp is an opportunity for your son to grow and experience greater independence and autonomy. He will form friendships with other boys that will last a lifetime. Keeping the camp environment free of distracting electronic devices will help this special bonding experience. A child who brings electronics to camp can unwittingly ruin the wilderness experience for his fellow campers. Thank you for your understanding and support of this policy.

Legal Info:

- Names, addresses, emails and phone numbers will be shared among campers and staff in the form of an end-of-summer address list. Camper names will be listed in the camp brochure. Please let us know if you wish to have your child's information excluded from these lists.
- I desire my child to participate in the full camp program unless I advise the Camp as to any restriction in activity in writing. I agree that the Camp having taken such precautions it deems advisable, shall not be responsible for any sickness, accident or injury to my child. Permission is given to use photos of my child for Camp purposes.
- I acknowledge that Camp takes place in Ontario and that Ontario courts shall have jurisdiction over any claim, legal dispute or cause of action arising out of Camp, alleged breach of contract, or alleged negligence or other claim that leads to a legal proceeding against Camp or any of its agents. I hereby agree that if I commence any such legal proceedings they will be held only in Ontario and I hereby irrevocably submit to the exclusive jurisdiction of the Ontario Courts. I agree that the resolution of all disputes arising with Camp or any of its agents shall be governed and construed in accordance with the laws of Ontario.
