

A NOTE ABOUT PACKING

The Northway and Wendigo Outfit Lists are a suggested list. The Northway list is based on a 25-day session, while the Wendigo list is for a 13-day session. Please adjust your packing accordingly. Remember that a good camper travels light! This is particularly true for those children who will be flying to camp, as many airlines now charge for all checked baggage.

Involving your child in the packing process may help them to become more excited about camp, and increase their confidence. A list of what was sent to camp will be helpful for your child when they are packing at camp to go home.

We suggest sending older clothing to camp. One rule of thumb: if your child would like to wear it to school in the fall, don't send it to camp in the summer.

Please LABEL EVERYTHING! The Ontario Camps Association sells labels (\$15.00 for 100). The link to their order form is:
